Each data broker or reseller must:

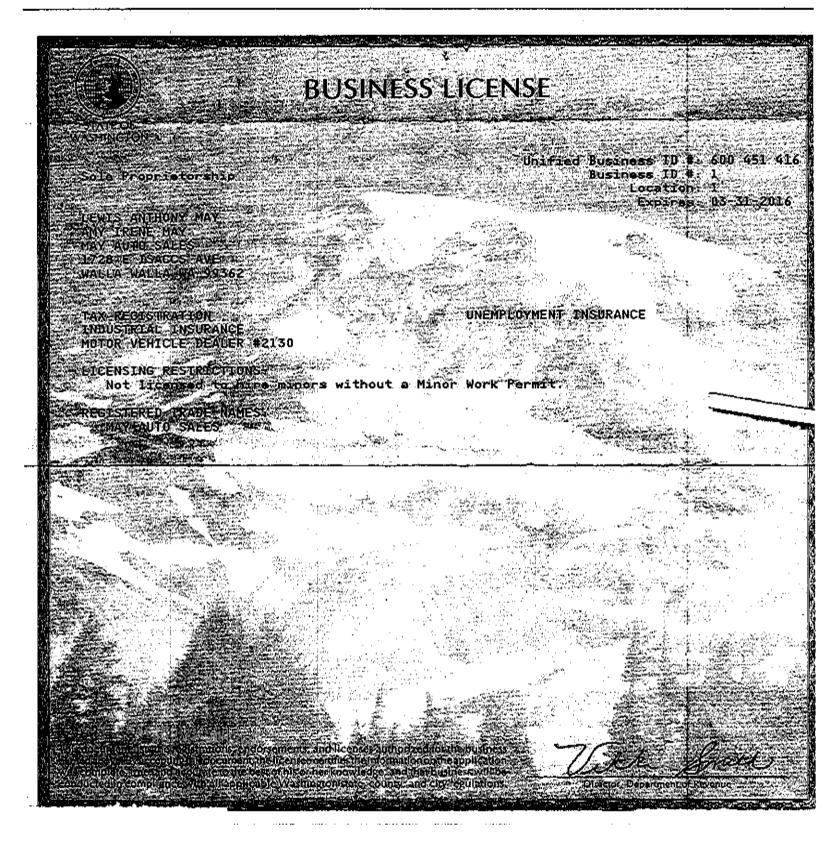

- Maintain a legible Subscriber Roster and complete all fields
- Record all subscribers
- Document the specific permissible use each subscriber qualifies
- Retain Subscriber Roster for 6 years and provide to DOL when requested

Your contract and/or IVIPS access may be terminated if you do not maintain a complete and legible Subscriber Roster.

NOTE: When a subscriber gives information to an attorney or private investigator, a notification letter must be sent. Failure to send a notification letter is a violation of your contract and Washington State laws. A sample notification letter is at https://fortress.wa.gov/dol/ivipsprod/.

In the Subscriber's permissible use box, provide a specific description of why the subscriber needs access to personal information. For example, "information is used in the processing of insurance claims investigations." A vague answer, such as, "check who owns the vehicle," is unacceptable.
